**\*Note: Effective July 15, 1999, maximum coverage for all engine models used in Forestry/Logging applications, including but not limited to: harvesting, loading, hauling, debarking, grinding, and/or chipping will be three years, unlimited hours with future plans for a three year, 5000 hour limit.**

Prices shown above are in U.S. dollars and are subject to revision by Cummins Engine Company. Coverage is for warrantable type failures. Programs include a deductible payment with all repairs. ENCOMPASS programs exclude all wear, tear, abuse and normal operating expenses. For program details refer to Cummins Engine Company Bulletin No. 3624570. All coverage will expire on the applicable years or hours of operation, whichever comes first, as measured from the original warranty start date.
